

COVID-19 Visitor Safety Briefing

All visitors to Aerospheres are required to adhere to the following safe working practices:

- Please do not leave Reception until you have been collected by your host.
- Please DO NOT shake hands.
- At all times you must follow the safety instruction of any signs and/or members of staff.
- Agree to forehead temperature check on arrival.
- Wash/sanitise hands on arrival and departure.
- Maintain a minimum social distance of 1 metre and try to maintain 2 metres where possible.
- Practice cough & sneeze etiquette by covering your mouth and nose.
- If you are tested positive for COVID-19 within a period of 14 days after your visit, you are requested to promptly advise your contact at Aerospheres.
- Indicate in Visitor Book, that you have read and agreed these conditions.

Please note that Face Masks are not mandatory.

However, we encourage their use if this makes you more comfortable or if 2 metre social distance cannot be maintained for anything other than short periods.
